

## Hold On!

Add some sizzle to your next birthday party or company picnic. The exhilaration of climbing and rappelling from our 24 foot climbing wall with friends and family is an experience none of you will forget. Our professional staff comes with the wall to ensure a fun filled experience for both children and adults. The challenge of climbing is a great way to develop self confidence and muscle coordination. Try it, you'll see!

Our climbing wall has four stations and can accommodate four of your friends at once. Each station consists of many handholds

of various colors. Handholds all of one color comprise a route. Climbers can choose a route that challenges his/her ability and skill level.

Our wall has one of the most advanced safety systems on the market; slowly and gently lowering you to the ground whenever you place your weight on the safety cable.

The wall can be set up on almost any surface, indoors or out. Our hand truck makes placement in your gym or backyard a snap! Set up takes about 30 minutes. What are you waiting for?

### Available for...

- **Birthday Parties**
- **Company Picnics**
- **Festivals**
- **Youth Programs**
- **School Events**
- **Church Events**
- **Boy Scouts**
- **Girl Scouts**

## **18' Tall Slide**

Our inflatable slide is one of the biggest crowd pleasers around! Have your guests slip and slide their way into a ton of fun!

## **56' Long Caterpillar**

Kids just love to explore this awesome creature! They enter "Morphy" via a door on his head, and then make their way through the 5 foot diameter tube battling their way through two obstacle courses! First they go through wormsville, then through the land of the cocoons, and finally they climb and glide down a 5 foot tall slide emerging under the butterfly to complete their journey! Inflated floor thru ought and plenty of windows for mom to quarterback. Ages ten and under.

## **Bouncy Houses**

Our inflatable bouncy houses are always a hit! They're great for your next birthday party, special occasion, or just because you want to have an especially fun day.

All of our inflatables are shiny new, squeaky clean, and ready for some boisterous fun!

We will set them up on grass only.

**Castle - 13 by 13 feet**

**House - 15 by 17 feet**  
**What are you waiting for?**

## **Fast Pitch Booth**

Our radar gun measures the speed of a baseball which is then immediately displayed on a 12 by 18 inch screen.

An aluminum tube frame forms a boxed enclosure and is draped with fish netting to prevent your friends' wild pitches from escaping.

The children can learn a bit about how radar works. They are amazed that the display registers the speed when they throw a ball.

## **School Carnivals**

There are two options: The first is to simply rent the equipment for the carnival; please call for rental rates.

The second is to operate on a pay per play basis; charging students each time they go on a ride, and then sharing the sales proceeds with Climb for Fun, Inc. The children are charged the following prices:

### **Pay per Play Standard Fees**

Climbing Wall	\$5.00
Bouncy House (6 minutes)	\$2.00
Slide (2 trips)	\$1.00
Caterpillar (2 trips)	\$1.00
Pitching (3 balls)	\$1.00

To run all equipment you must supply 11 adult volunteers. We will assist and supervise. We will operate the wall.

We have a 1 million dollar insurance policy, and you will be listed as an additional insured on the certificate.
