

Space Requirements for Inflatable Obstacle Course

- The obstacle course is 12 feet wide, 48 feet long and 18 feet high. It weighs about 650 lbs.
- It comes in two 325 pound sections.
- We require 8 feet on either side, in front and behind. 64 feet long by 28 feet wide.
- Customer set up area is used for people to wait in line, enter, and exit the obstacle course.

- The site should be clear of power lines and overhanging branches.
- The site needs to be fairly level.
- A grassy area works best, but concrete or asphalt will also work.
- Make sure there are no underground irrigation pipes, telephone cables or electric cables close to the perimeter of the inflatable. We use either 12" stakes or sand bags to secure the inflatable.
- Sprinkler heads on sprinkler systems should be well marked.
- Timed irrigation sprinkler systems should be turned off.
- A standard 110 volt outlet within 50 – 100 feet is required. The outlet should be at least 20 amps. It is best if the outlet not be shared with other large equipment.
- For rentals we set up on grass or indoors only.
- Climb for Fun Inc. personnel will supervise operation of the obstacle course at all times.
- **Climb for Fun, Inc. reserves the right to refuse rental if we deem the site to be unsafe or likely to damage or soil our equipment.**

Safety Rules

Here are some safety rules we follow when operating our obstacle course. The number of participants on the obstacle course will be kept to a reasonable level.

Personnel in charge of the obstacle course will enforce the following safety rules.

- Adult supervision will be required at all times.
- Persons not following the safety rules will be asked to leave the obstacle course.
- Participants should remove shoes, sharp objects, and eye glasses before entering.
- Participants must empty their pockets before entering the slide. Climb for Fun, Inc. is not responsible for articles lost during the operation of the obstacle course.
- Participants will be grouped according to size.
- Tired children will be removed from the obstacle course.
- There will be no flips, jumping, piling on, fighting or wrestling.
- We will not allow running and/or bouncing against the outside of the obstacle course.
- Participants may not hang from the exterior of the obstacle course.
- No **GUM**, food, drink, or candy is allowed in or around the obstacle course.
- We will not operate the inflatable if the wind is above 25 mph
- **No silly string, or any other substance is allowed on the obstacle course.** Violation of this rule will result in a significant damage charge.
